Private lessons provide one-on-one personal attention that improve students at the fastest rate possible. Lessons greatly enrich the quality of your child’s musical experience and enjoyment from playing his or her instrument. It’s a circle in which the better the student gets, the more he or she enjoys practicing, which leads to more practice, which leads to greater skills and more enjoyment. Lessons are well worth the investment of time and money. We strongly encourage all students to participate in this program.

This form indicates that you would like for your child to take private lessons from a Wunderlich/KISD approved instrumental teacher. By signing this form, you are agreeing to take and pay for private lessons for the 2021-22 school year.
